CARES ACT - COVID Employer Jobs Grant form

The City of Springboro realizes many businesses are experiencing challenging employment scenarios that were created by the COVID-19 (COVID) Pandemic. The goal of this program is to provide economic support for companies to create jobs, and/or expand business in response to COVID needs.

The following form will be used to consider providing grant monies to City of Springboro employers to assist with workforce related needs that stemmed from COVID. The grant monies can be used toward the hiring of new (for expansion of business needs due to new COVID demands), and/or the rehiring of former employees that lost their jobs due to the COVID pandemic. The monies can also be used to assist with the on-boarding process, training, and/or the soft costs associated with the recruitment of the potential staff members.

Grants can be awarded up to \$5,000 per employee hired or seeking to hire with a maximum of 4 employees totaling up to \$20,000. Please complete the following.
