### Use this form if:

You are an employer who is **NOT** based in Springboro, but need to withhold Springboro tax from one or more employees' wages because: (1) their principal place of work is in Springboro; (2) they work in Springboro more than 20 calendar days per year; or (3) they are Springboro residents for whom the Company is withholding residence tax as a courtesy.

**NOTE!** If your company is performing business operations in the City and you need to open a withholding account for employees who will be reporting to work in Springboro for 20 or more days on a project, you must complete the Springboro "Business Account Request" form instead of this withholding form.

### Please indicate your reason(s) for withholding Springboro tax:

\_\_\_\_\_ I have one or more employees whose principal place of work is in Springboro; I understand I need to withhold 1.5% Springboro tax from their wages.

\_\_\_\_\_ I have one or more employees who work in Springboro more than 20 days per calendar year; I understand I need to withhold 1.5% tax on the wages they earn in the City once they meet that 20-day threshold.

\_\_\_\_\_ One or more of my employees lives in Springboro but works in another jurisdiction. As a courtesy to them, I want to withhold Springboro tax from their wages (0.5% if they are working in another city or 1.5% if they are working in a township) so they don't owe additional residence tax when they file their Springboro return.
